All staff members of Siena College are expected to support and promote the College's mission. Siena College, a Catholic secondary school in the Dominican tradition, engages young women in a challenging education that empowers them with the personal resources to make a difference in the world, by searching for truth through a culture of lifelong learning.

The College has a universal expectation for the protection of the young women in its care and is committed to ensuring that all staff promote the inherent dignity and fundamental right of students to be respected and nurtured in a safe school environment.
